EC CERTIFICATE

of factory production control

0615 – CPD – 9803

In compliance with the directive 89/106/EEC of the council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the Construction Products Directive – CPD, amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it is hereby stated, that the construction products:

Admixtures

High range water reducing / super plasticizing admixtures, water reducing / plasticizing admixtures, air entraining admixtures, set accelerating admixtures, set retarding admixture, (according to the signed attachment to this certificate) intended for use in concrete, mortar and grout produced by

BASF Construction Chemicals Denmark A/S
Hallandsvej 1, 6230 Rødekro

who has performed an initial type testing of the product and carries out factory production control and that the approved body
Bureau Veritas Certification Denmark A/S

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 934-2:2001 / A1:2004 / A2:2005
and the procedures of **EN 934-6:2001 / A1:2005**

were applied.

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Original approval date: 21 March 2003

To check the validity of this certificate please call (045) 77 311 000.

Further clarification regarding the scope of this certificate and the applicability of the system requirements may be obtained by consulting the organisation.
